Chieftain, 1974

Board of Education

We'd like to make a special dedication
To the Stockbridge Valley Board of Education
For all they have done to help our class
Through all of the years now in the past
They have worked so hard to uphold the rule
Here at Stockbridge Valley Central School.
It's not an easy job; it's really tough,
And men like these, well; there just aren't enough.
It's hard for a small group of men
To make decisions time and again,
Decisions that they feel will be
Of great importance to you and me.
Some disagree, and some go along,
But whether we think they're right or wrong
We all know that what they decide in the end
Is how it will be, and the rules won't bend.
All of the rules we must obey
To keep some order throughout the day.
They try their hardest, they do their best
To please and satisfy all of the rest.
They've given themselves; they've given their time
To keep us happy, to keep us in line.
We hope they know how thankful we are
For the one special thing, most important by far.
They kept us from consolidating
Which means we will be graduating
From Stockbridge Valley Central School.

Seated, left to right: Velton Smith, James Jacobs, President Richard Wilson, Herbert Snell and Hubert Bennett. Standing: Walter Phillips, George Warner, and Robert Koen.

WE REMEMBER . . .

We all know that there is just no way
That we could even begin to repay
The people here, for all they've done
To make our school years so much fun.
Sometimes they've been strict, and even commanding
But more often they've been patient and understanding.
We could never thank any of them more
For all they've done for the Class of '74.
And when we're out in that great big world,
Feeling so alone,
We'll think of all of you back here
That all of us have known.
These thoughts will give us the encouragement we need
To go on through life, and in the end succeed.
We remember People.

Coaches:
We love you too!

Mr. Rife: Thanks for all of your help.

Mrs. T.: Thanks for the fun and friendship you offered us.

Mrs. Dymes: Thanks for your help with our prom, and the candy, too.

. . . PEOPLE

From our first few years of school, there is
one person who stands out most in our mind.
For he was always so thoughtful, considerate and kind.

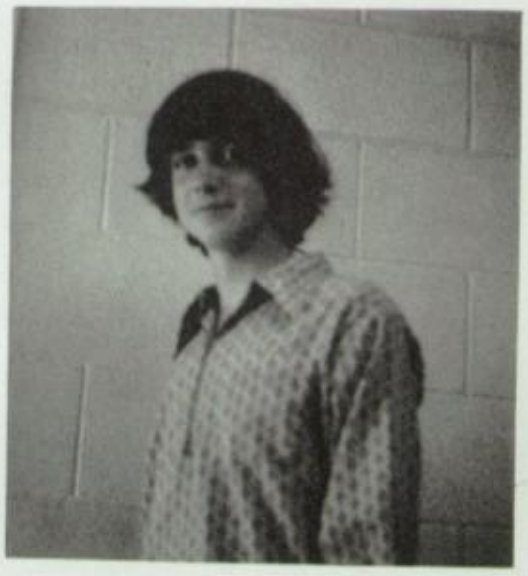
He was always there to lend a helping hand
To please us and fulfill our every demand
And no matter how old we got to be
He remembers every face and every skinned knee.
He taught us to care, he gave us our start.
For him, there will always be a place in our heart.
We remember Mr. Cramer.

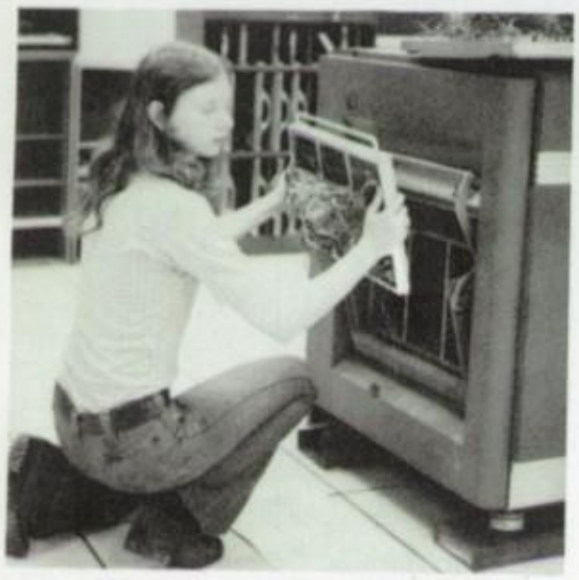
We went on thru school and finally
Hit fourth grade.
We were big kids now, we had it made.
We could even play an instrument, and soon
Join the band.
Of course we all wanted to. The teacher was
such a nice man.
He received so little, often giving so much.
For him, no one could ever do enough.
Whether we needed him, as teacher, or friend
We knew that on him we could always depend.
We remember Mr. Williams.

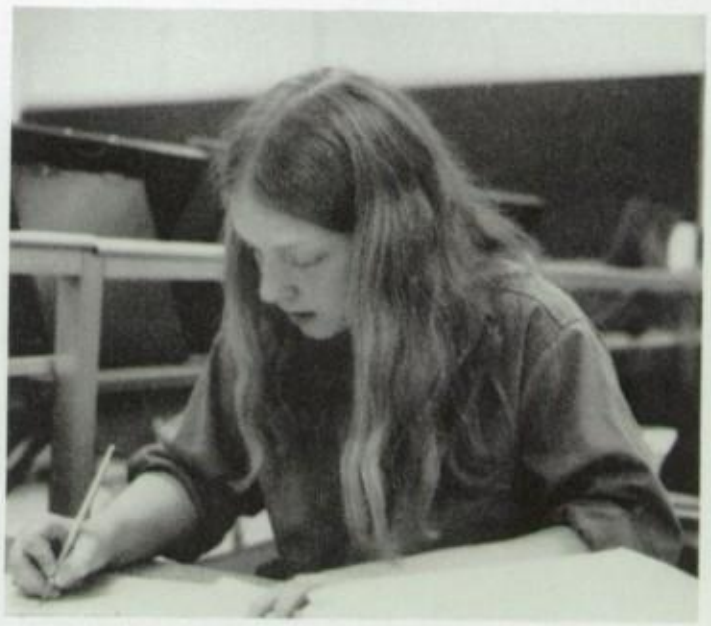
THANKS TO ALL OF YOU.

FROM THE SENIOR

Senior Advisor
Mr. Stepanski







CLASS OF 1974.

Being a Senior

Being a senior is something different
From anything experienced before.
We've learned to take a lot less,
And to give a lot more.
As we look back and recall each year
Some of us laugh; some shed a tear.
Soon we will leave,
But we won't forget,
The friends and teachers
That we have met.
The joy and excitement
That we feel,
Is only a dream to others;
But to us it's real.
There's so much to do,
To keep our life going,
And the responsibilities
Seem overflowing.
But there's nothing in the world
That we would trade,
For the funfilled year
We've spent in twelfth grade.

Class History

Our first day of school in September, 1961, was the beginning of the Class of 1974 and many lasting friendships.

We remember Mrs. Sherman, our kindergarten teacher, milk and graham crackers, sandbox, naptime and the Dr. Suess piano.

We were sad to leave behind the fun of kindergarten, but first grade lay ahead and we were excited about going to school all day, having our own desks and eating in the cafeteria. Those were the days when lunch was only twenty cents and a milk ticket cost a dime.

As second graders, we were the upperclassmen of the Munnsville Grade Building, helping Mr. Cramer ring the bell and call the buses.

We remember Mrs. Gray's third grade and how so many of the boys were locked in the bathroom for some mischievous doing. Mrs. Baltusnik taught us how to multiply.

In fourth grade, Mrs. Matteo told us that we were the intermediate students of the elementary school and that we should set an example for the younger students. That was the year of tonette lessons and our first trip to the beach.

In fifth grade, those of us in the mobile unit were very disappointed when Miss Schmalz's class saw West Side Story and we didn't.

Our memories of sixth grade are highlighted by changing classes with Mrs. Smith and Mrs. Snyder, the field trip to Goff's farm and preparing for Junior High.

Those first weeks of seventh and eighth grade were filled with confusion as we tried to remember which class came next. However, we soon got settled and were busy with math, science, basketball and cheerleading.

We really began to feel like the Class of 1974 in our freshman year. The Freshman Fantasy dance was the main money raising project for the year.

We ordered our class rings in our sophomore year. The French II students, Brenda Marshall, Cathy Bartlett, Mary Taylor, Melanie Wilson, Melvin Fisher, Joyce Jacobs, Randy Martin and Kathy Wagner will never forget that exciting trip to Paris with Mr. and Mrs. Meding.

Although many of our classes were interrupted by jack hammers and falling plaster, we studied diligently to pass those dreaded Regents and State Board Exams in our Junior year. We learned to be dynamic salesmen in the annual stationery sale. Long hours were spent making paper flowers and building a wishing well to complete the decorations for "Colour My World", the most wonderful prom in the school's history.

We did not realize how close graduation was until we ordered our announcements, were measured for caps and gowns and saw our formal yearbook portraits early in our Senior year. There were many headaches as we tried to raise those last few dollars for our Washington trip or meet that last yearbook deadline. Despite the headaches, our last year was certainly the best. The top five students of the Class of 1974 were Kathlyn Wagner, Valedictorian; Joanne Stafford, Salutatorian; Katyh Gates, George Gostling, and Melanie Wilson.

We'll always remember our friends, our teachers, and our beloved Alma Mater.

A Visitor

I am a Senior high school student from Brazil, South America, visiting America for six months on the Open Door program. This is the first time that I have been to the U.S. and I like it very much.

My city Vitoria is the opposite of Munnsville because it is an island and very warm. This is the first time I have been in snow. When I return to Brazil I need to study another six months for my graduation.

I wish every American could learn to know Brazil as I have come to know the U.S.

Girls Track and Field

Without our field and track coach Tony Latteri, we would not have been undefeated in the spring of '73.

We would like to thank him for the time, energy, and great coaching that he gave to us. The ribbons we won and the blue plaque in the trophy case would not be ours if he had not made us practice as much as we did.

We express our deepest appreciation and gratitude to our "super" coach and are looking forward to another undefeated season.

First Row, left to right: Nancy Meeker, Mary Joe Clark, Lisa Marshall. Second Row: Robin Watkins–36¼, Pam Reed–50¾, JoAnn Jones–30¼, Cathy Bartlett–88¾. Third Row: Coach Latteri, Deb Koen–107¼, Roxanne Reed–35, Carol Meeker–58¼, Kathy Gates–28, Pat Mason–11½, and Kathy Redding. Absent; Joyce Jacobs–35½.

"THE SUPER TEN"

Within the walls of Stockbridge School
Walks a female squad that's super cool!
Just ten players, not a large team–
But in spirit, talent, and performance
I'd describe them as a coaches dream.

A tremendous season has been completed
In 1973 we are undefeated!
In our class grouping of D and E
Our gals captured 2nd in section III.

And now their names: Deb, Cathy,
Patty, Kathy, Joyce, Roxanne, JoAnn,
Carol, Robin, and Pam–are engraved
on a plaque–because they're the
Greatest, both on and off the track!
